

HARVARD UNDERGRADUATE MOCK TRIAL ASSOCIATION

SPONSORSHIP PACKET

2026 - 2027

Dear Supporter,

We are excited to present you with a unique opportunity to become an **official sponsor of the Harvard Undergraduate Mock Trial Association**. We are one of the highest ranked collegiate mock trial programs in the nation. As entirely student-run organization, our program, which includes members from all around the world and all four years of college, fields multiple teams that compete in Mock Trial tournaments across the country throughout the school year. That success is only made possible by supporters like you.

In addition to competing in collegiate tournaments, our team also runs the **Angela R. Mathew High School Seminar Program**. Our Seminars weekends are intensive, two-day training programs hosted in Cambridge, MA, designed to teach both beginners and seasoned competitors the secrets to our success. Over the course of our Seminars, we engage with dozens of schools from across the world, including hundreds of high school students, teachers, coaches, and community members.

We also host the **Boston Tea Party Invitational** every November, where we invite the top collegiate mock trial teams to showcase their skills early in the competitive season to judges, lawyers, and other legal professionals from Boston and beyond. At this tournament, we host hundreds of legal-oriented college students on our campus for two days, as well as numerous alumni, coaches, and judges.

With the support of your sponsorship, you and your organization will have the tremendous opportunity to introduce yourself to students at high schools and colleges across the country and supporters of our team who attend our Seminars program and/or Boston Tea Party Invitational. Your crucial support will promote our mission, enabling our membership to share our passion for Mock Trial with other students and compete in tournaments across the country.

There are many ways to get involved with the Harvard Undergraduate Mock Trial Association, and we are excited to work with you in any way we can. The following pages include relevant details about each of our existing sponsorship opportunities; however, we welcome additional ideas and would be more than happy to work together to develop a package that best meets your needs.

If you have any questions, reach out to us at harvardmocktrial@gmail.com. We look forward to discussing an exciting future partnership!

Sincerely,

Annika Krovi, Halyna Bowley and Cristina Mercado

WHO WE ARE

The Harvard Undergraduate Mock Trial Association is one of the most competitive college mock trial programs in the country, and also one of the most unique: HUMTA is a completely student-run organization without any coaches.

Our methods work. In just the past few years, we have won a national title, held two first-place seasonal standings, and received numerous individual attorney and witness awards at the regional and national level. Every year, we watch our newest members—some of whom have no prior experience in mock trial—consistently outperform and outrank even the most experienced of competitors from other programs.

BY THE NUMBERS

5.6K miles traveled per season

22 individual and team awards in the past year

20 team members competing at no personal cost, per team policy

9 tournaments we compete at each year

0 coaches or paid staff

WHAT WE DO

Our Angela R. Mathew High School Seminar Program is a two-day training program designed to teach both beginners and seasoned competitors the secrets to our success. For over 20 years, our National Champion All-American Attorneys and Witnesses have shared the Harvard “tricks of the trade” with thousands of high school students from all over the country through lectures, workshops, and scrimmages.

Our Boston Tea Party Invitational is a two-day collegiate Mock Trial tournament in Cambridge, MA for the top teams in the country. We host and compete alongside hundreds of the sharpest college Mock Trial attorneys and witnesses and recruit judges with decades of experience in the legal field.
